

# Hack Night with Arduino, Python, and More!

MAKER  
DAYS

[mcpl.info/makerdays](http://mcpl.info/makerdays)

Whether you're an expert or somebody who's curious and full of project ideas, join us for a night of hacking. We have laptops, Arduinos, Beaglebones, sensors, motors, and other electronic goodies to play with. Bring your own projects or just come and see what we're up to. **Drop in.**

Age 13 and up\*  
**7–8:30 p.m., Tuesdays:**  
**June 30, July 28, August 25**

Monroe County Public Library  
Program Room 2B, second floor

\*Under age 13 is OK if accompanied by an adult.

**Bloominglabs**
